Morels

Starting Tonight

We're about halfway through morel season & just now seeing the first really beautiful specimens. These ones were foraged in the Lake Shasta area and delivered yesterday. They'll be on the menu starting tonight served with pasture-raised hen egg *tagliatelle*. We have around fifteen pounds we expect to go quickly.

Call (510) 547-5356 or [reserve online](http://www.oliveto.com).
